## CIAC State Tournament – Board 6 Policy

### Policy Prior to the 2017-2018 Season

Board 6 officials receiving enough votes from the schools could officiate in both the CIAC boys and girls tournaments.

### Policy Effective with the 2017-2018 Season

Board 6 officials receiving enough votes from the schools to officiate in both the girls and boys tournaments, will need to inform Commissioner Lynch as to whether they will work the CIAC boys or girls tournament.

If a vacancy(ies) occurs in either the boys or girls tournament list for Bd. 6 officials due to their decision to select the boys or girls tournament, then the CIAC will fill the vacancy(ies) with the next Bd. 6 member based on highest vote total.

## Other Board 6 Procedures related to the CIAC Tournament Process

### **Does Board 6 know whether schools we service submit or do not submit tournament votes for Bd. 6 officials?**

The CIAC will provide a list of schools who did not submit votes by the deadline to the Commissioner. The Board 6 commissioner does send a preseason letter to schools' Athletic Directors that we service to request their participation in the CIAC state tournament officials voting process. The Schools not submitting official's votes for the state tournament do not qualify for the Board 6 Sportsmanship Award.
